Why Join SHBA?

*You don't buy a newspaper -- you buy news.
You don't buy life insurance -- you buy security.
You don't buy glasses -- you buy better vision.
You don't buy awnings -- you buy shade.
You don't buy membership in an Association --
you buy cooperation of people in business with whom
you can join hands to do the things
you cannot do alone.*

Mission Statement

The Southern Hills Business Association, a nonprofit 501(c)3 organization, was founded in October 2001, bringing together business men and women for the sole purpose of promoting community renewal, economic development, and revitalization of the Southern Hills area.

The Southern Hills Business Association is designed to allow every member an opportunity to share their concerns about the area and to implement a plan of action that will produce results and promote the area.

The Southern Hills Business Association is dedicated to member education and routinely assists local government and agencies in the promotion of economic well-being for the Southern Hills area and for the city.

Membership in the Southern Hills Business Association is open to any organization across the city who shares our concern for and commitment to revitalization, economic development and community renewal of the Southern Hills area..
