## *Christmas In The Hills 2008*

*Holiday Extravaganza ~ Community Christmas Trees ~ Old Fashioned Christmas Parade  
Holiday Boulevard Banners ~ Business Lighting ~ Christmas Gala*

### *Light Up The Hills*

Light Up The Hills by Lighting Up Your Business!

Enjoy the attention your business receives as well as entering the outside Christmas lighting competition. Compete for the top 3 awards. Celebrity judges from the Shreveport area will tour the area and select the winning businesses dressed up in holiday style. **Prizes and recognition will be given December 16, 2008** at the Southern Hills Business Association Holiday Dinner. **Lights ON dusk to dawn beginning December 4, 2008.**

### *Deck The Hills*

225 Christmas Trees Need Your Green Space!

SHBA provides lovely 9' trees FREE of charge. Green space donors provide electricity and power cords to light the trees. Some green space donors decorate their own trees in front of their business while youth, church, civic, and nonprofit groups decorate other trees. **Trees should be lighted from December 04 through December 28, 2008.** Celebrity Judges will pick top 3 trees in each of 4 award categories. **Winners will be announced at the December 6, 2008 Holiday Extravaganza Gala when the parade concludes. Awards will be presented at a December 16, 2008 Christmas Awards Dinner at Saint Mary of the Pines Community Dining Room.** What greater way to call attention to your business than to decorate and sponsor green space for Community Christmas trees! Thousands of visitors and passersby will see the lovely trees and take note of your place of business at the same time!

### *Old Fashioned Christmas Parade*

Participate in the Christmas Parade!

The 2008 old-fashioned Christmas Parade will organize at the Sam's parking lot (Jewella at Meriwether) beginning at 3:30 p.m. on Saturday, December 6, 2008. From there the parade will roll down Jewella and into the Summer Grove Baptist Church's South Park property, ending around the gigantic holiday tent on the grounds of Surplus Warehouse. There'll be marching bands, colorful lighted floats, school, military, cycle, youth, and scout groups marching along the route with lots of parade throws. For information about the parade, contact David Cox at (318) 393-7660.
